2.2 Frequently Asked Questions (FAQs)

Frequently Asked Questions

1. What services do you offer?

We provide end-to-end interior design and turnkey execution services for residential, commercial, and office spaces. Our services include design consultation, 3D visualization, custom furniture, project execution, and final handover.

2. What is a turnkey interior solution?

A turnkey interior solution means we manage the entire project—from design and material selection to execution, installation, and final handover—so you can enjoy a hassle-free experience.

3. Do you provide both design and execution?

Yes. We handle everything from concept development and 3D designs to complete on-site execution, ensuring a seamless process from start to finish.

4. How long does an interior project take?

Project timelines depend on the size and complexity of the project. Most residential interiors are completed within 6–12 weeks after design approval.

5. Can I customize the design according to my preferences?

Absolutely. Every project is customized to reflect your lifestyle, functional requirements, design preferences, and budget.

6. Do you provide 3D designs before execution?

Yes. We create detailed 3D visualizations so you can review and approve the design before execution begins.

7. How do you determine the project cost?

The cost is based on factors such as space size, materials, finishes, furniture requirements, and project scope. We provide a detailed and transparent quotation before work begins.

8. Do you use branded materials?

Yes. We source high-quality materials and work with trusted brands to ensure durability, functionality, and premium finishes.

9. Will I have a dedicated project manager?

Yes. A dedicated project manager coordinates the entire project, keeps you informed, and ensures smooth execution from start to finish.

10. How do you ensure quality?

We follow strict quality standards, conduct regular site inspections, and perform detailed quality checks at every stage of the project.

11. Do you offer renovation services?

Yes. We undertake renovation and remodeling projects for homes, offices, retail spaces, and commercial properties.

12. Can you work within my budget?

Yes. We design solutions that maximize functionality and aesthetics while staying within your approved budget.

13. Do you provide warranties?

Yes. We offer warranties on selected products and workmanship. Warranty terms vary depending on the materials and products used.

14. What areas do you serve?

We undertake projects across multiple cities and regions. Please contact us to check service availability in your location.

15. How do I get started?

Simply contact us to schedule a consultation. Our team will understand your requirements, visit the site if needed, and guide you through the design and execution process.

16. Can I make changes during the project?

Yes. Design changes can be accommodated whenever possible. Any changes that affect the scope, cost, or timeline will be discussed and approved before implementation.

17. Do you handle approvals and vendor coordination?

Yes. We coordinate with vendors, suppliers, and contractors to ensure timely procurement and smooth project execution.

18. Why should I choose your company?

We combine creative design, quality craftsmanship, transparent pricing, timely delivery, and dedicated project management to create spaces that are functional, elegant, and built to last.

These FAQs are ideal for an interior design website because they answer the most common client questions while building confidence in your process and services.
